Dear Prof. Dr. Zulkardi,

Please find enclosed our manuscript entitled "Effectiveness of Guided Discovery- Based Module; Case Study on 27 Indonesian Students", which we would like to submit for publication in Journal on Mathematics Education.

This study discusses whether there is an influence or effect of the use of modules to the 27 students (class of 2013) who took a course Complex Analysis at STKIP PGRI Sumatera Barat, Indonesia.

We found that there is an influence or effect of the use of modules to the 27 students (class of 2013) who took a course Complex Analysis at STKIP PGRI Sumatera Barat, Indonesia.

Therefore, we feel this manuscript is particularly suitable for Journal on Mathematics Education and will be of great interest to its readers.

We look forward to hearing from you.

Yours sincerely,  
Delsi Kariman
